

HAITI

Please read this entire message. Be aware that to receive a country clearance, the training and administrative documentation must be complete. It can take from 2-7 days after applying for a country clearance to receive it. Obtaining a passport can also push you back a few days. We will do everything we can to get you into country, but we need your help.

Send copies of all medical, administrative, and training documentation to: UDC-M@usace.army.mil or fax to 540-665-4053, Attention: Haiti Deployment.

Bring all documentation with you on deployment.

Mandatory Training:

_____ **[Anti-Terrorism/Force Protection \(AT/FP\) Level 1 Training](#)** (must have a certificate within the last 12 months)

_____ **Army Personnel Recovery Training:** Please e-mail UDC-M@usace.army.mil for the appropriate password to access the briefing on Personnel Recovery Training. [Review the file](#), print the last page of the briefing, sign the acknowledgment statement that you reviewed the briefing.

_____ **SERE 100:** All personnel are required to complete SERE 100 Training. Click [here](#) for instructions on how to access this training.

- After logging into AKO, click on <https://www.g357extranet.army.pentagon.mil/DCSExtranet/damopr/> . This will take you to the DCS G-3/5/7 Home Page.
- From there click on "Individual" under Education and Training.
- From there click on "SERE 100" under PR Education and Training for Individuals and download the training

_____ **Personnel Recovery Pro-File:**

To complete this, log on to the [DA Personal Recovery site](#) (AKO password or CAC is required for log-in).

- Click on link: “For information regarding pre-deployment training, please see FORSCOM Personnel Recovery Website”
- Click on “Pre-OCNUS Travel File (Pro-File)” on the upper left side of the page
- Click on “To Access Pro-File, Click Here”
- Click on “Proceed to Survey” (If you have already done the Pro-File previously, it does not have to be re-accomplished. If this was done previously you will see a green box where you can print off your certificate)
- For instructions on inserting pictures into this file, [click here](#).

Pro-file MUST BE COMPLETED BEFORE COMING TO THE UDC!

Human Rights Awareness Training

******* ALL TRAINING MUST BE COMPLETE BEFORE A COUNTRY CLEARANCE CAN BE SENT.**

Administrative & Travel

_____ Complete the [DD93 Record of Emergency Data](#). The DD93 lists your next of kin to be notified if you become a casualty. Include a strip map to the address of the next of kin. Provide a copy of the DD93 to APPO and to your home station EOC. Hand-carry a copy to UDC and overseas for your downrange supervisor. [Example](#)

_____ **Passports:** A no-fee (Official/Brown) passport is required. When applying for an official passport if you've never had a passport of any kind or if you had a passport (either tourist, official or diplomatic) issued more than 15 years ago. [Instructions](#)

Complete the DS Form 82 when applying for an official passport if you have a current tourist passport or if you have an expired official/diplomatic or tourist passport that issued less than 15 years ago. [Instructions](#)

***Visas are not required**

_____Country Clearance: Submit all clearance requests (classified and unclassified) via the Aircraft and Personnel Automated Clearance System (APACS). See Foreign Clearance Guide for sending requests.

<https://www.fcg.pentagon.mil/fcg.cfm>
